RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the restriction requirement in paragraph 1 of the Restriction Requirement mailed July 26, 2004, applicants elect the claims of Group I, claims 1 - 33, 38 - 47, 52 - 57 and 66-73, with traverse. In response to the restriction requirement in paragraph 4, applicants elect the species of Figs. 25, 26 and the claims readable on it, claims 13 - 19, with traverse. Applicants submit that it would not impose an undue burden to examine all the claims together and that the restriction requirement thus should be withdrawn.

Applicants note that an oral election to the restriction requirement was not made during the July 20, 2004 phone call because at that time the Examiner indicated that due to the nature of the restriction requirement, particularly, the number of distinct species involved, he thought it best to issue a written restriction requirement rather than attempt to relay the details by phone.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: AUGUST 23, 2009
